Excellence by Design

Does your child attend one of the following schools?

Samuel Kennedy Elementary School

Anna Kirchgater Elementary School

Herman Leimbach Elementary School

Charles Mack Elementary School

Prairie Elementary School

David Reese Elementary School

If so, you may be eligible to participate in Public School Choice.

What is Public School Choice?

Public School Choice allows parents of students attending a Program Improvement school to transfer to a non-Program Improvement school.

To which school(s) may my child transfer?

In an effort to meet the intent of the Elementary and Secondary Education Act (ESEA), the Elk Grove Unified School District will be offering Public School Choice for Program Improvement schools at select locations. Track assignment will be based on availability.

How will my child get to a Public School Choice site?

If your transfer is approved, your child will have free busing to the Public School Choice site for as long as their home school does not make adequate yearly progress on the state-wide assessment program standards. When their home school improves and becomes a Non-Program Improvement School, we are no longer obligated to continue to provide free busing.

Do I have to participate in Public School Choice?

No. We are providing parents with this opportunity as an option. The decision is entirely up to you, so you should base your decision on what you think is best for your child. No further action is required in order for your child to remain at their current school.

If you are interested in participating in Public School Choice, please contact Learning Support Services at (916) 686-7712.
